ANALYSIS

Our firm is a global network of offices and practices led not by one person, but by our partnership group. SHIELD member firms operate locally in countries around the world.

But by working together, member firms also comprise a vigorous global network. This structure provides SHIELD subsidiaries have the flexibility to operate simultaneously as the most local and the most global of businesses.

We are the trusted advisor and counsellor to many of the most successful businesses and institutions in the world.

We are problem solvers with a passion for excellence. We are intellectually curious and highly collaborative.

# SHIELD at work for you

## SAFEGUARDING YOUR BUSINESS FOR THE FUTURE

SHIELD has since 1998 supplied risk management and security solutions to companies and organizations in an increasingly uncertain world. Our consulting and security teams, help create innovative business solutions for companies operating anywhere in the world. This integrated approach combines insight and innovation from multiple disciplines with business knowledge and security expertise to help our clients to protect themselves and others.

Business fundamentals are important, but there's no substitute for knowing an industry inside and out. Companies need to mitigate risks, track competitive dynamics, regulatory changes, and advances in technology to compete and thrive in their sector.

Our consultants draw upon years of direct, front-line experience in a full range of industries. From maritime to telecommunications, we help clients harness risk management and boost security performance.

### RISK CONSULTING

We are a leading consulting company with the knowledge and expertise in Risk & Crisis Management. Applying efficient, high-performance security solutions in the global market.

### MARITIME SECURITY

Ships are vital to worldwide trade and the pressure to deliver faster, further and for less is always present. Impact on these vessels and its assets is very costly for companies and governments. Protect our maritime business together with SHIELD.
